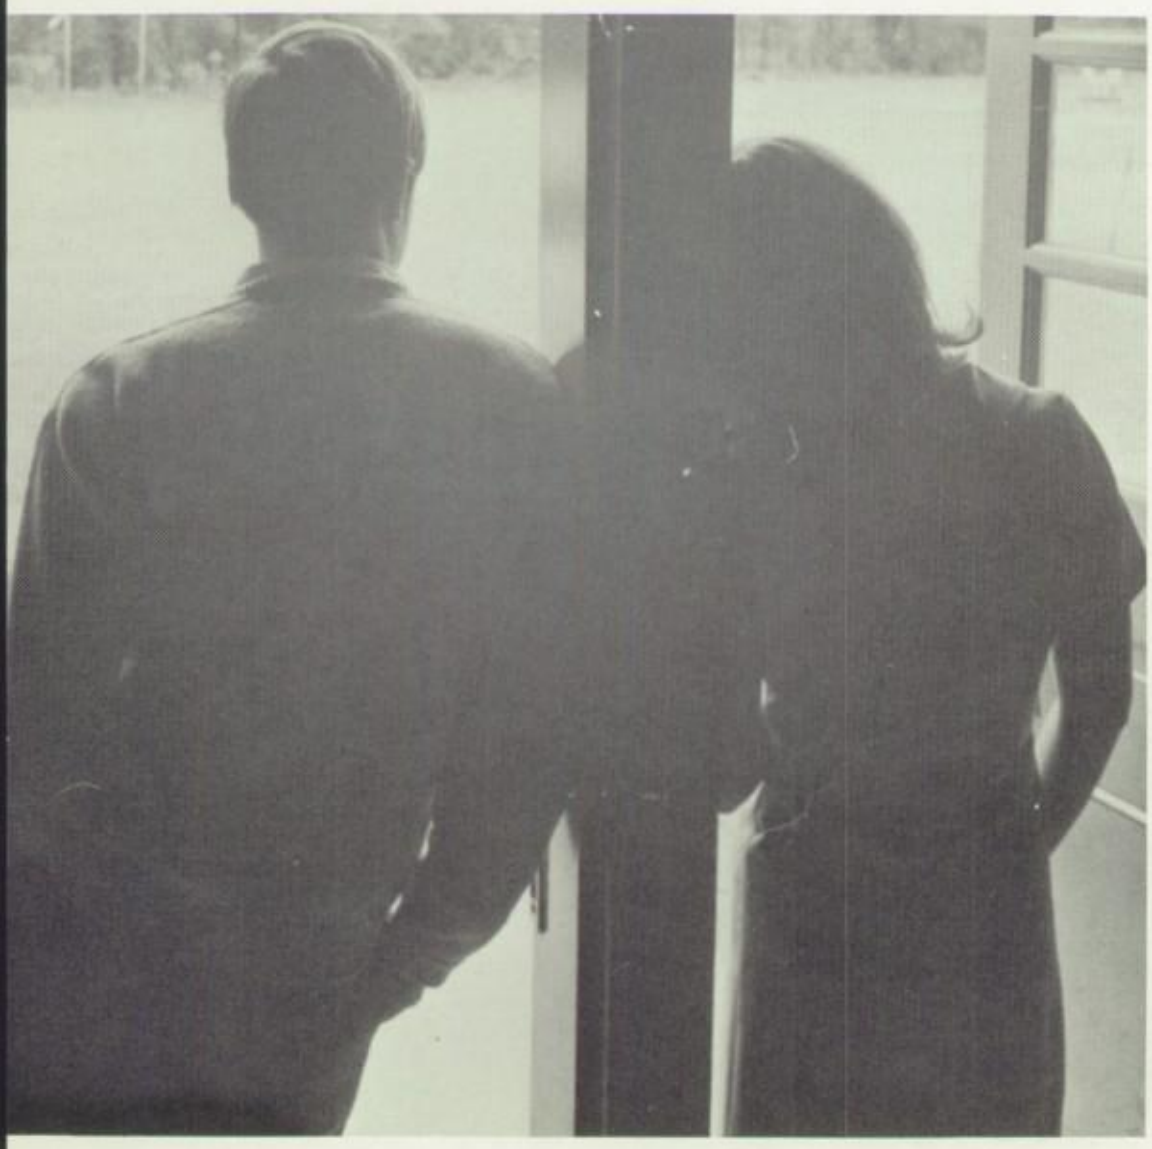
Reflections of a Time. . .



Friendship . . .

Two people . . . or many . . .

Forming relationships

A nearness never to be lost

One forgets the disagreements . . .

The unessential . . .

And . . . accepts people . . .

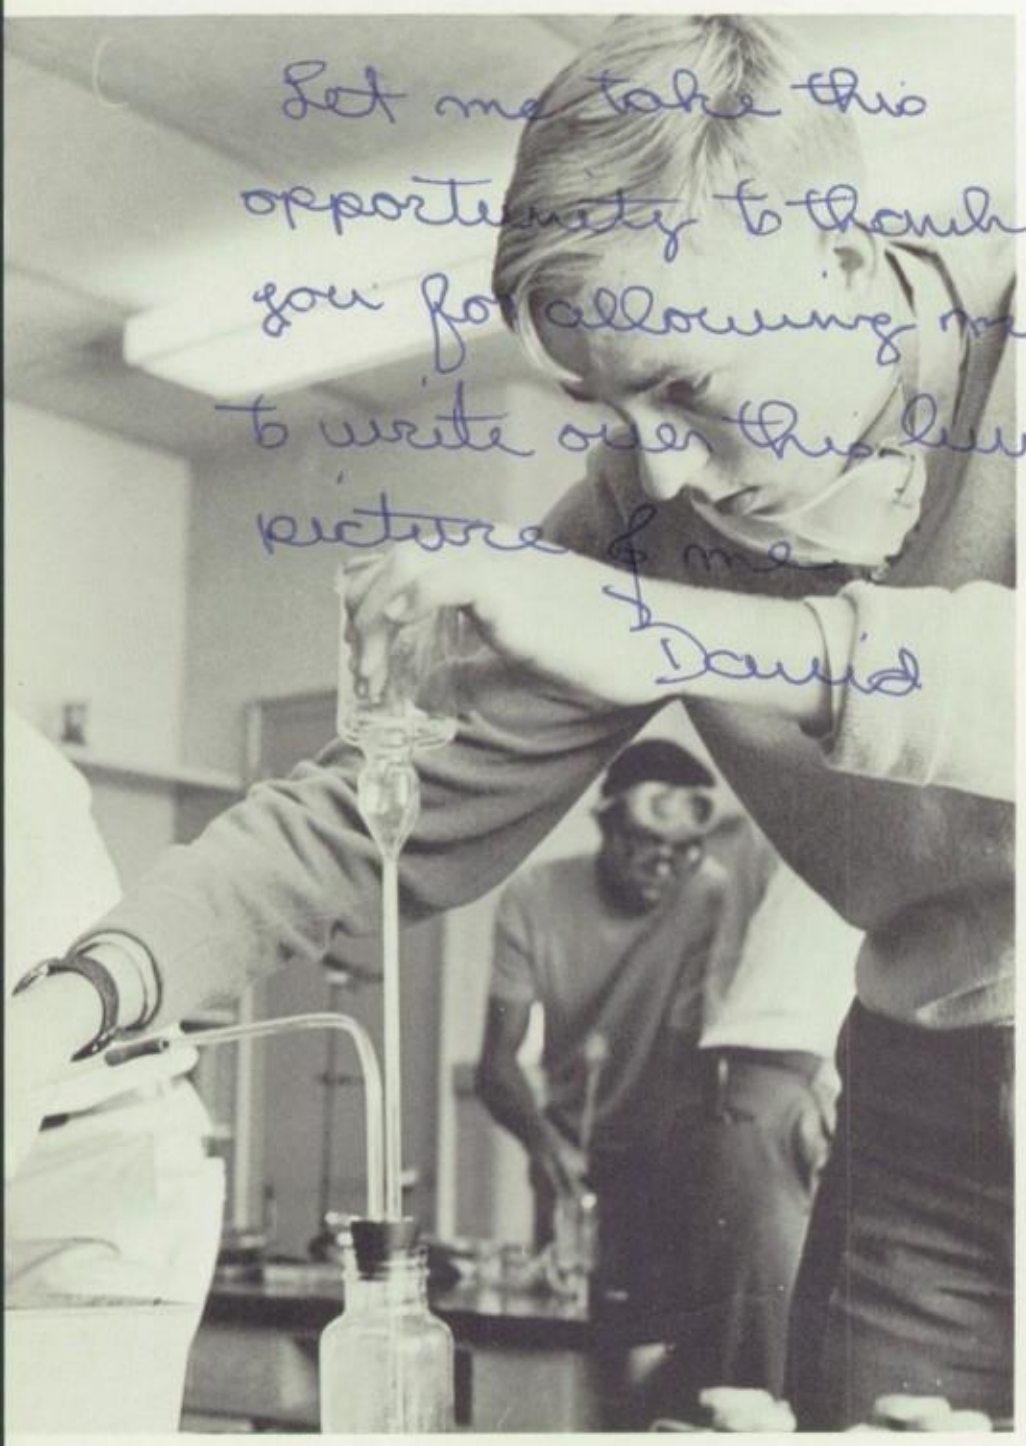
As they are . . .

Just people . . .

Learning . . .

Classrooms . . . library . . . gym . . .

All places of inquiry . . .



Students . . .

Discuss problems . . .

Listen to lectures . . .

Perform experiments . . .

Research for papers . . .

And study . . .

We reach for

Knowledge . . .

Question?

A time to reason how . . .

And why . . .

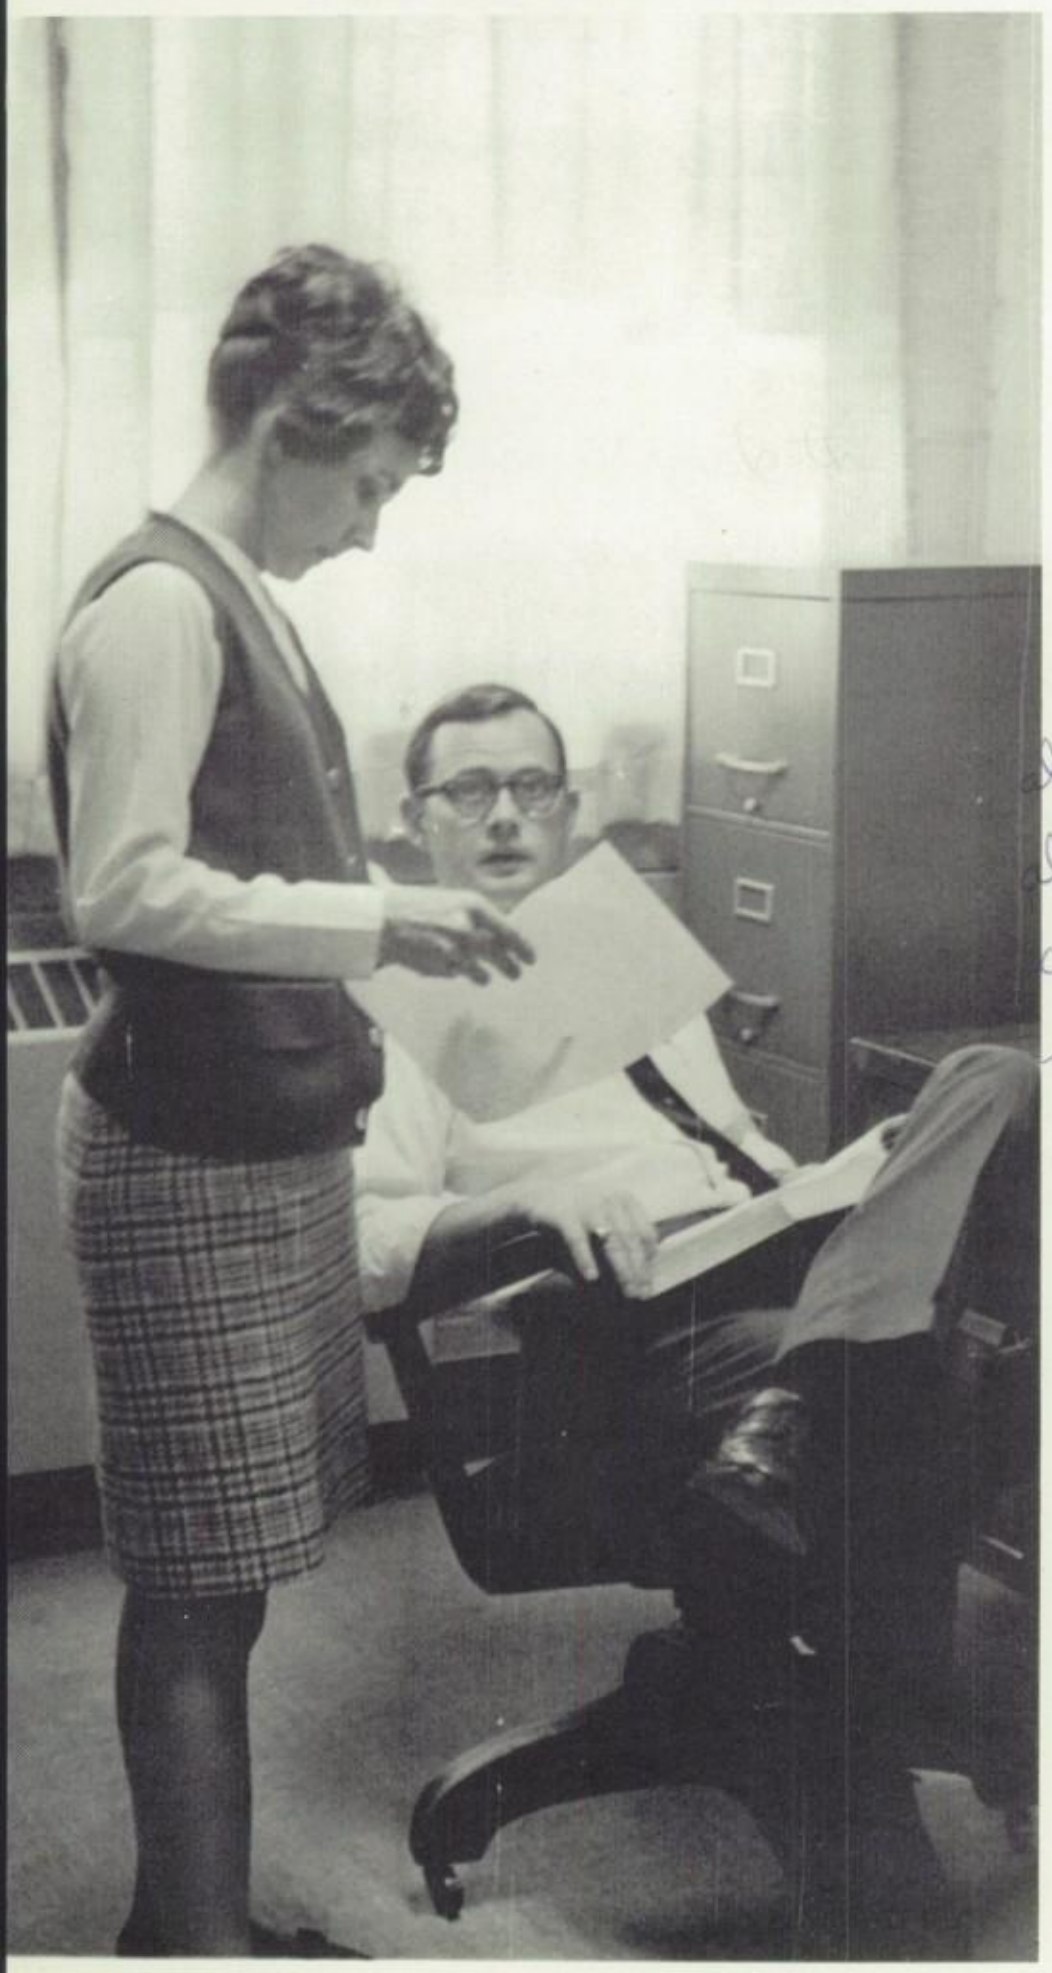
The beginning of a time . . .

For one is never too old . . .

For learning . . .

From others . . .

From an experience . . .



Question?

Ourselves . . .

The Establishment . . .

God . . .

Danny,
Well, the year is just about over and I hope Heaven's all in all but it's been pretty good. Never get our great Rug Committee meetings and good old Period English class. Have a nice summer & see you next year
Love ya,
Karen

Question?

Do you care? . . .

Enough? . . .

Any at all? . . .

Quiet.

It's a time of solitude . . .

For the young . . . and old . . .

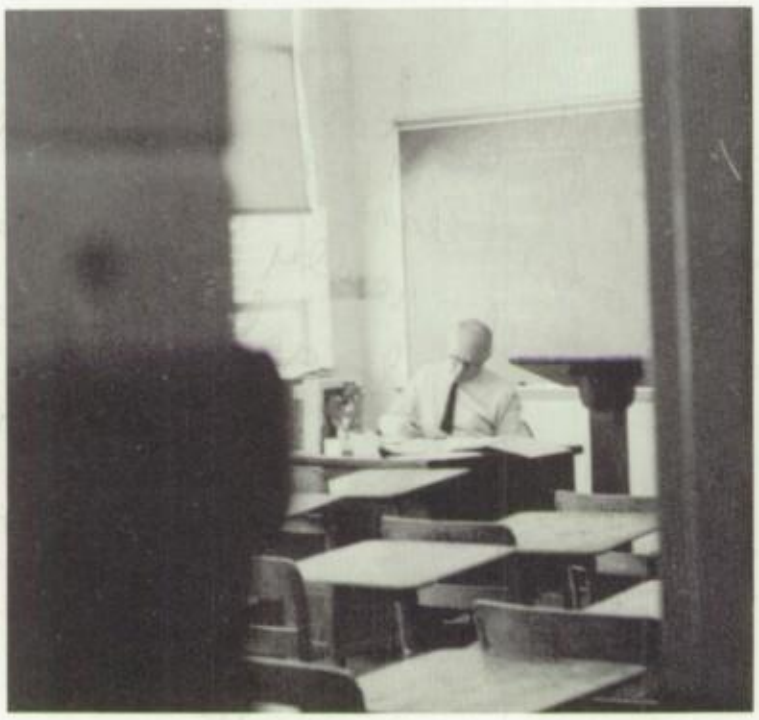
A time to think . . .

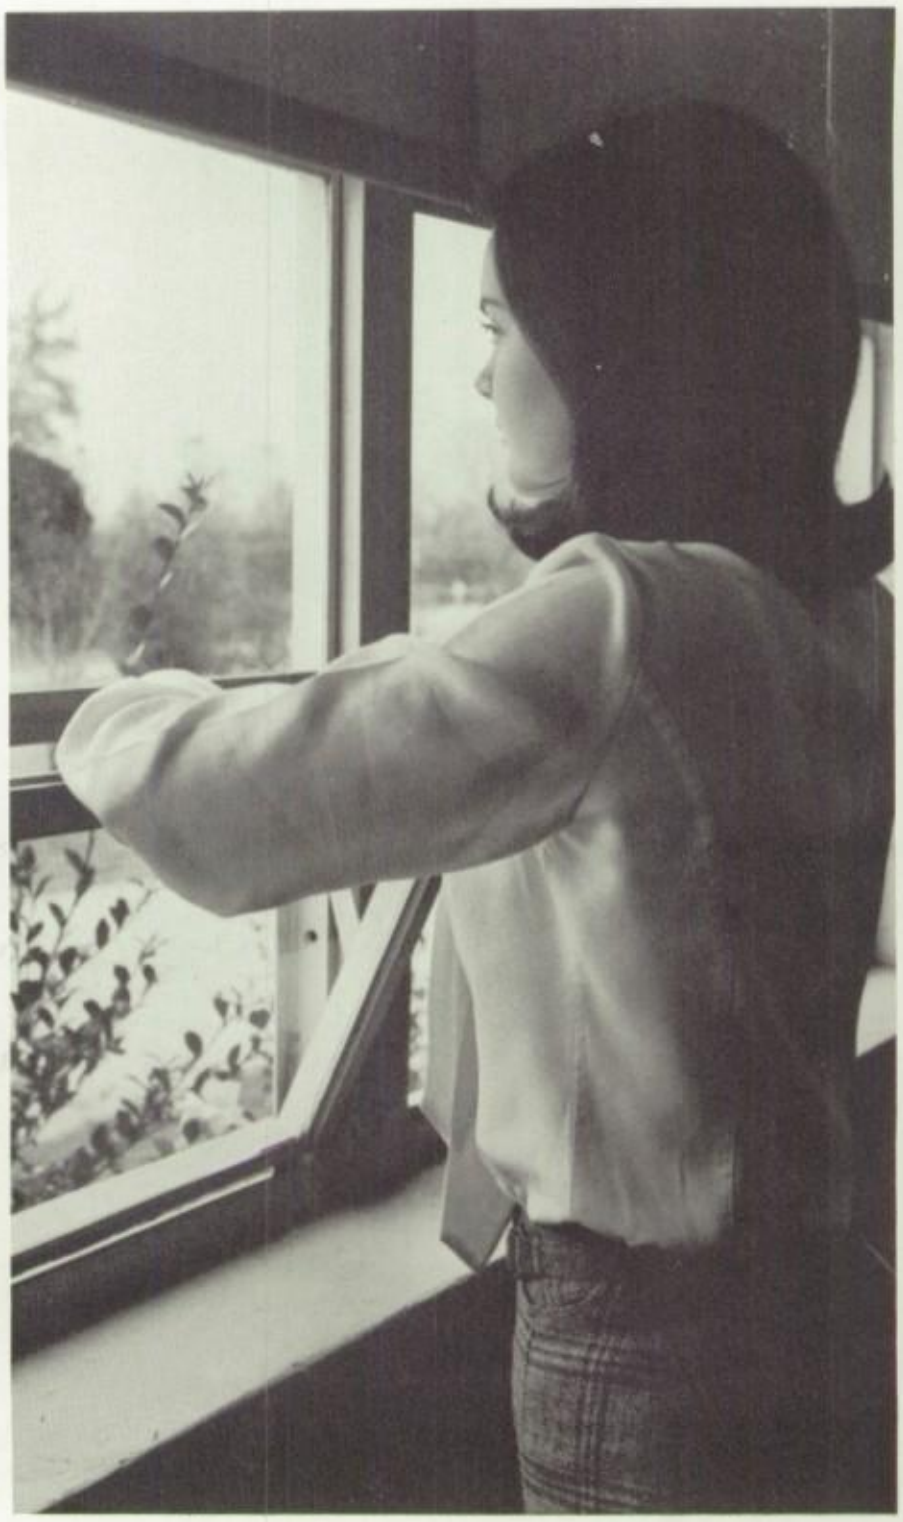
About what? . . . Many things . . .

Life . . . love . . . other people . . .

The future . . . death . . .

All is still. Quiet.





Now . . .

A time to grow up . . .

To learn . . . to believe . . .

To accomplish . . .

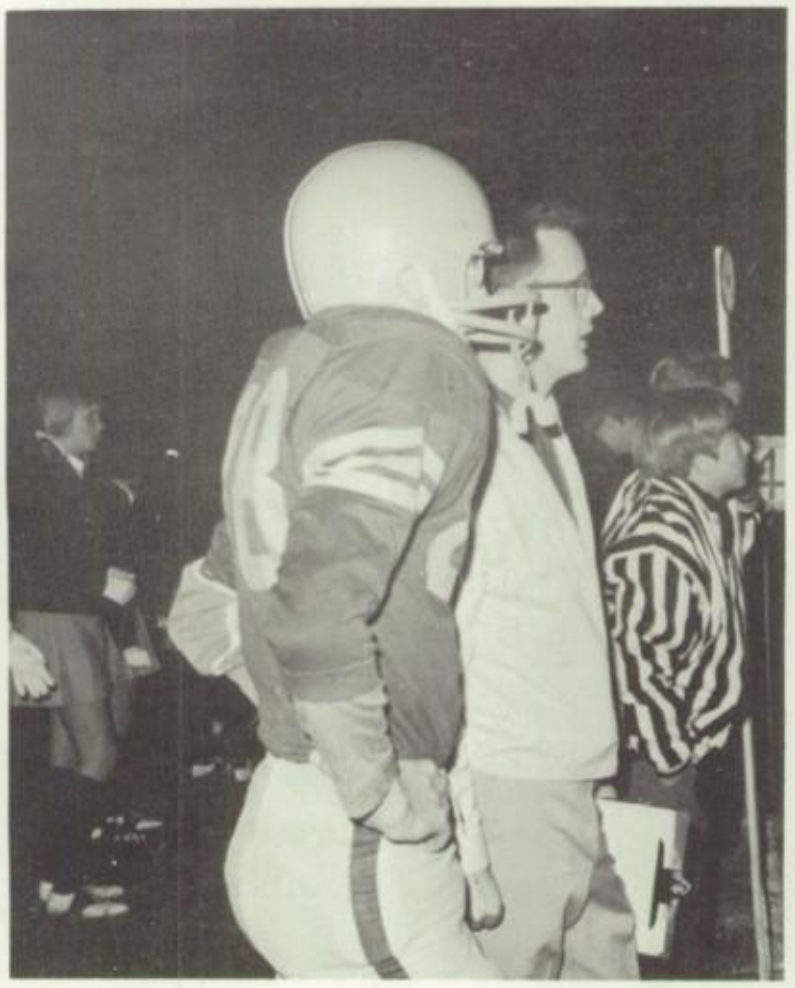
And most of all . . . to enjoy living . . .

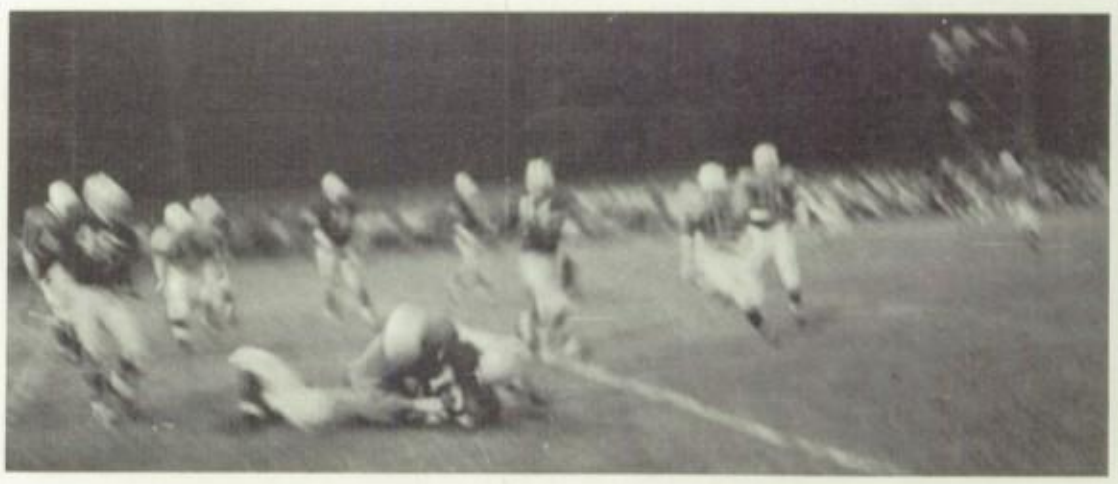
Our Time . . .

Life is a fact . . .

Win . . . or lose . . .

Breaks . . . good and bad . . .





Life . . .

A game . . .

Beginning at birth . . .

We . . .

Are the players . . .

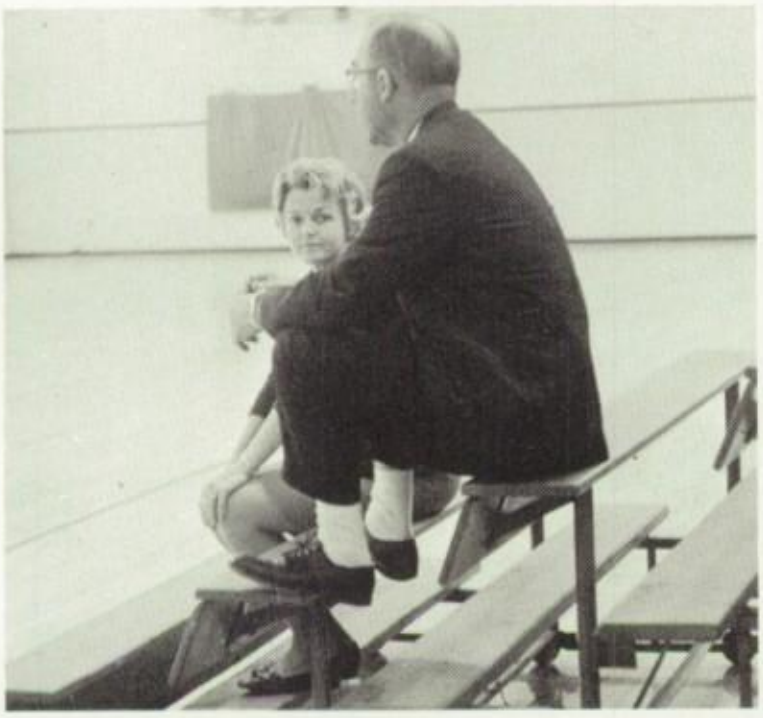
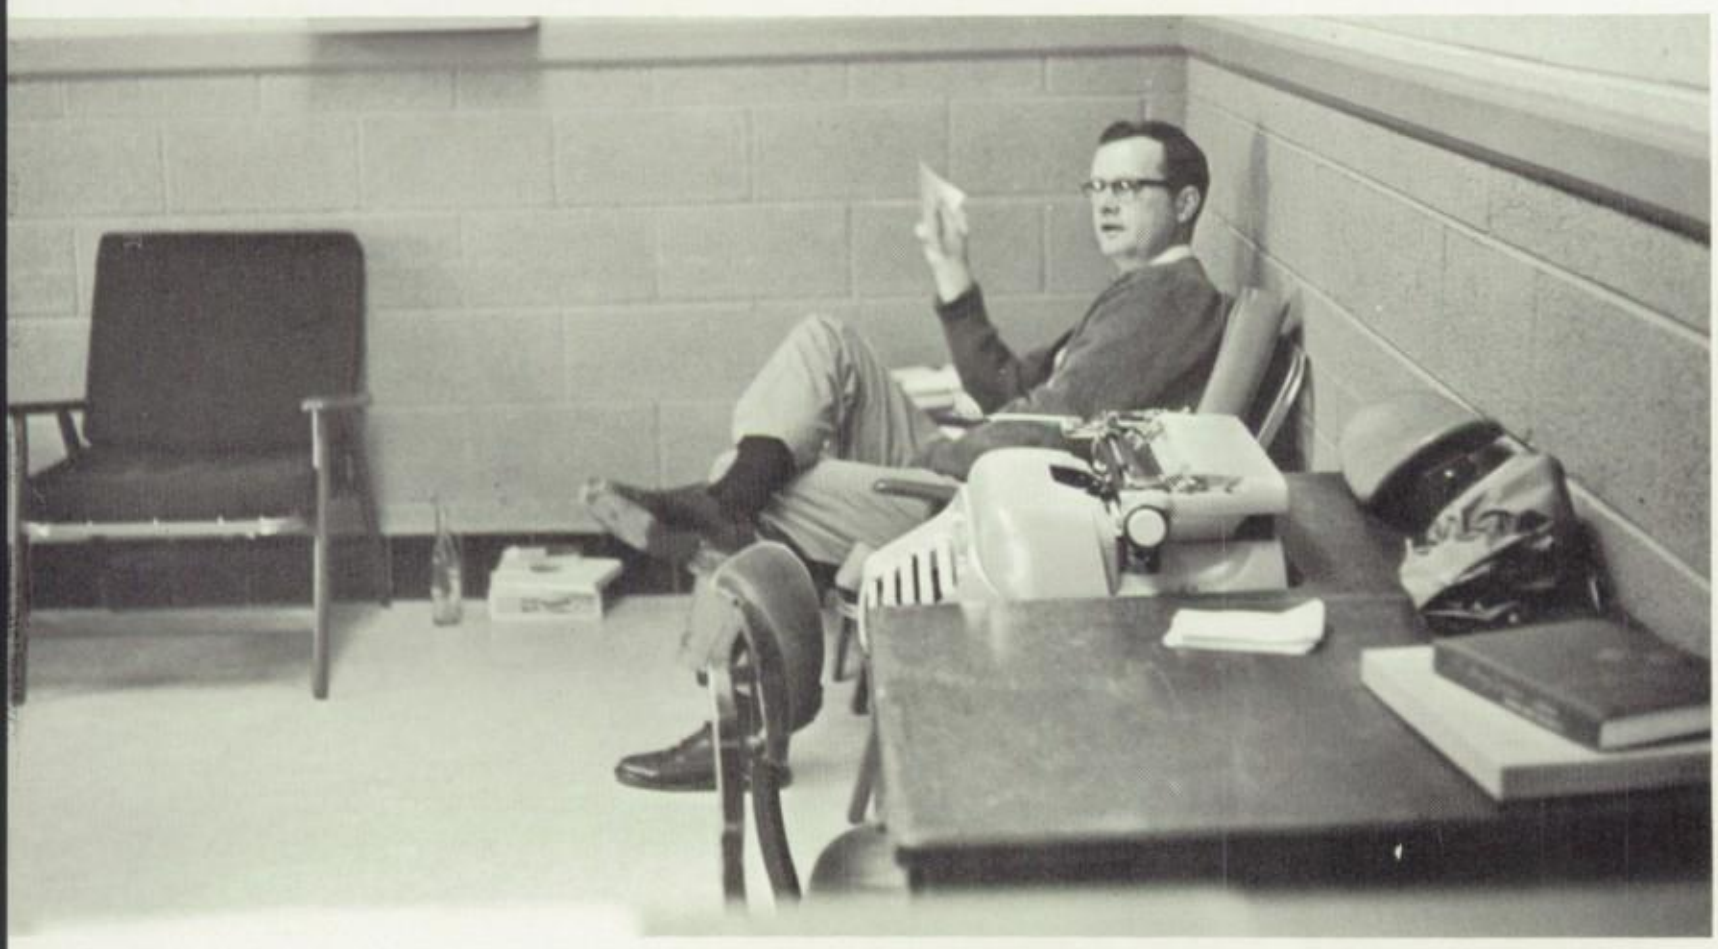
Faces

Faces show what words omit.
A new year. A new school.
Hectic days. Peaceful ones.
They show tension—and calmness.
Laughter and pain.
But most of all, concern.



Mr. John Durham, Principal

Mrs. Meade Kilduff, Guidance Counselor



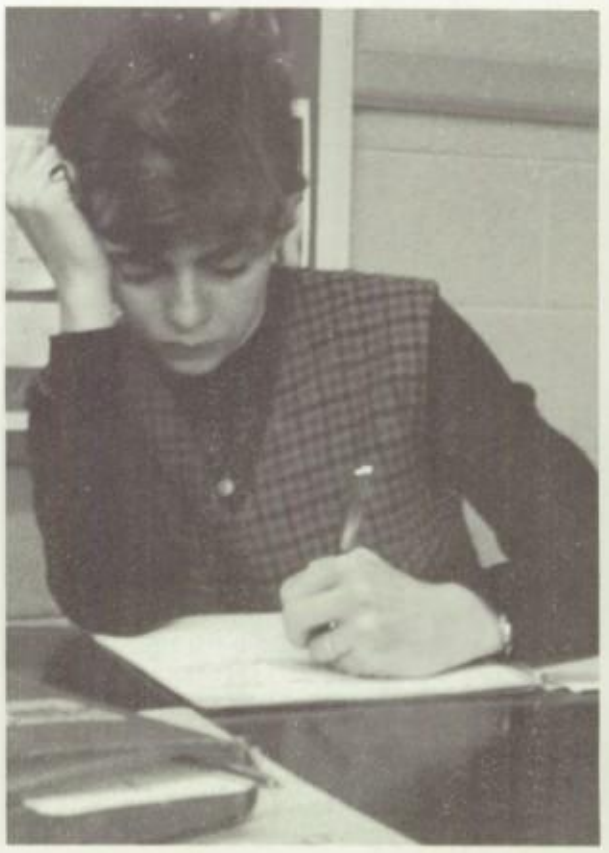
Mr. W. H. Shirley, Jr.
Assistant Principal

Faces of thoughtful,
meaningful people
striving for a contact,
reaching out,
working together,
breaching a gap.
Knowledge and skills
combined to achieve
better work . . .
a better school.

Mrs. Thelma Fisher, Secretary

Faces trying to impress values
into the mind—the satisfaction
of understanding other writers,
expressing the inner self,
enjoying the arts.
Faces tell how it used to be,
how it is, and how it can be.

Mr. Eichelberger at leisure.

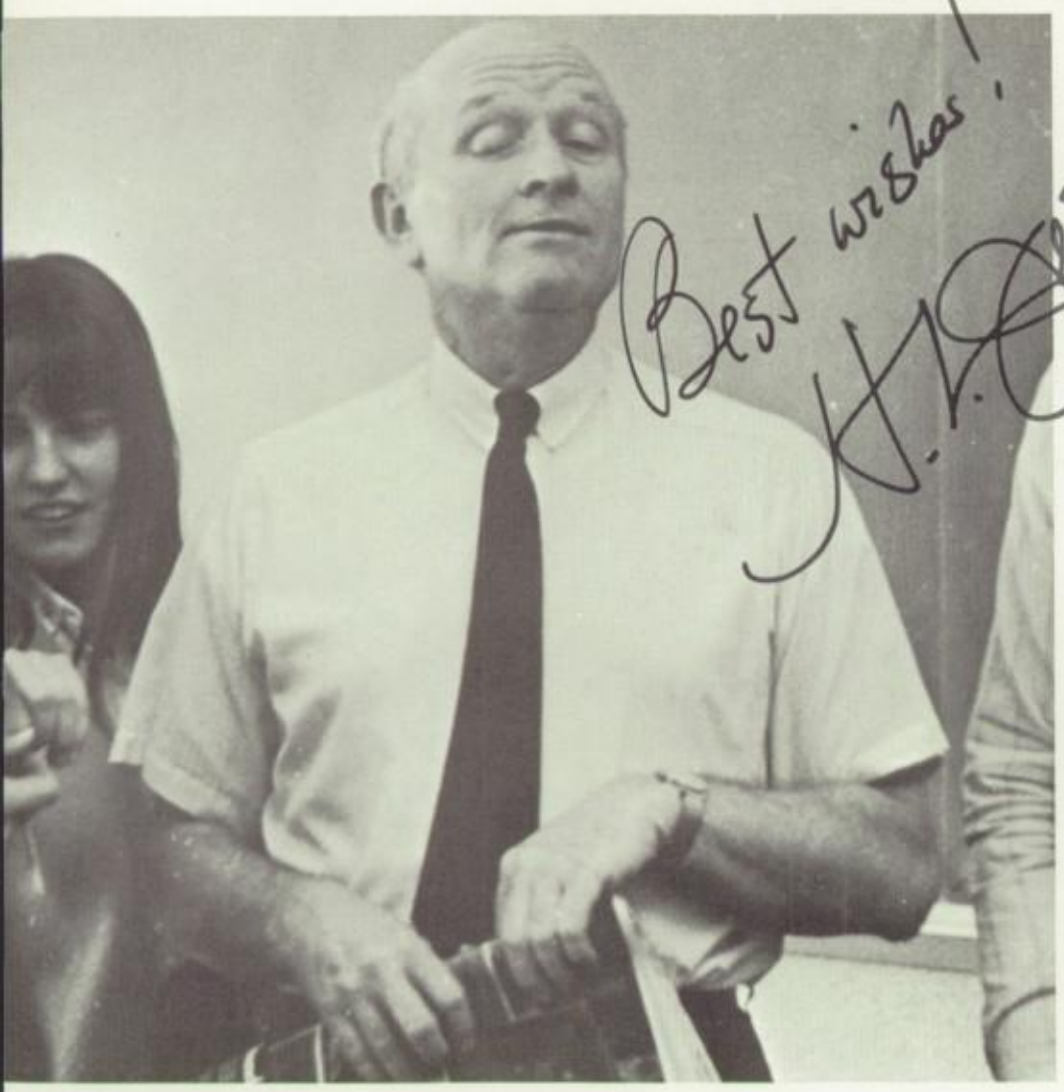


Mrs. Smith

A moment of serenity for Mrs. Scott.

Mrs. Doeppe takes a minute to relax.

Mr. Francis—the lecturer.



That's our Mr. Jett!

Mrs. Haynes

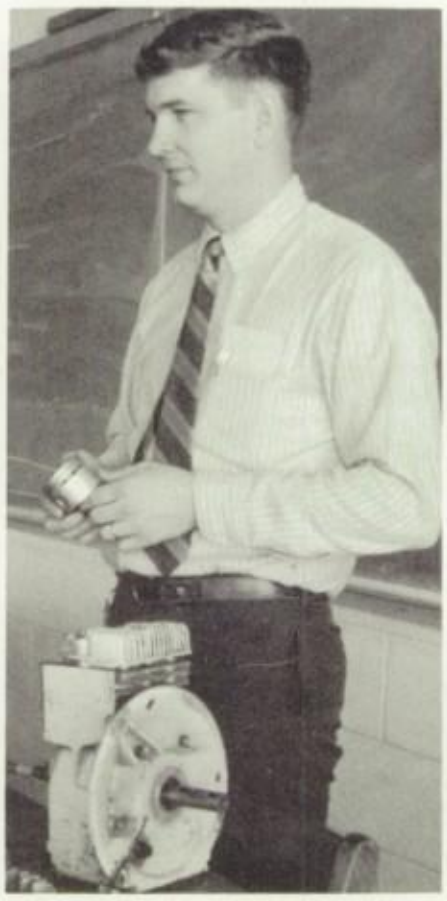
Versatility—Mrs. Kelly

Mr. Jerry Durham

Mrs. Booker

The extensive vocabulary of Miss Rowe—"ssh".

Mr. Lawson



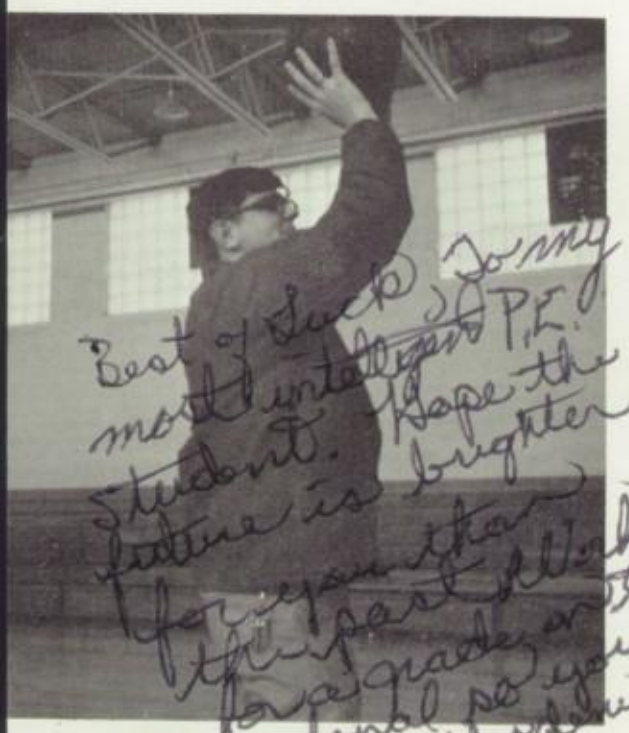
Mr. Townsend

Mrs. Howdershell

Mrs. Dameron

A moment of peace for Mr. Dameron.

A familiar scene to girls' phys. ed. classes—Mrs. Rice.



Best of luck to my most intelligent P.E. student. Hope the future is brighter for you than the past. Work for a grade or not for a grade, you will succeed. C. J. Wilson

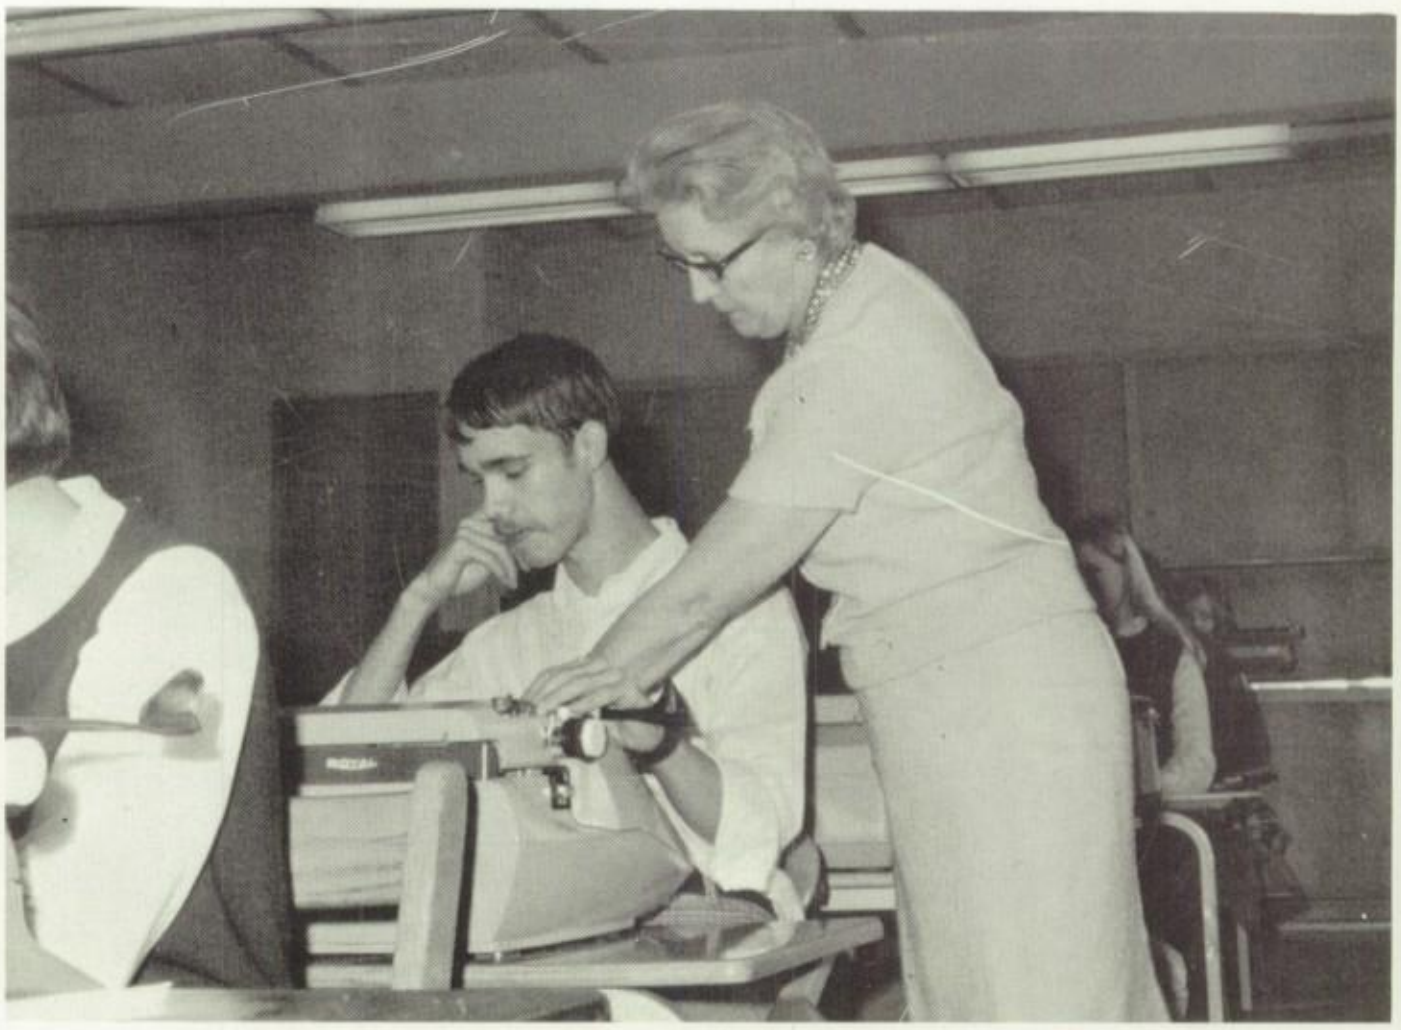
Mr. Wilson

Best wishes for a successful future.
S.C. Keene

Mrs. Keeve

Faces of people showing solutions
to present and future problems,
analyzing life at its smallest stage,
providing techniques
for making life easier.

Mr. Griffin



Mrs. Towles lends a helping hand.

Faces endeavor to prepare students for independence—not only by ways to dissolve their frustrations, but by learning to cope with that which they cannot change.

Mrs. Campbell

Mrs. Clark

The Good Life

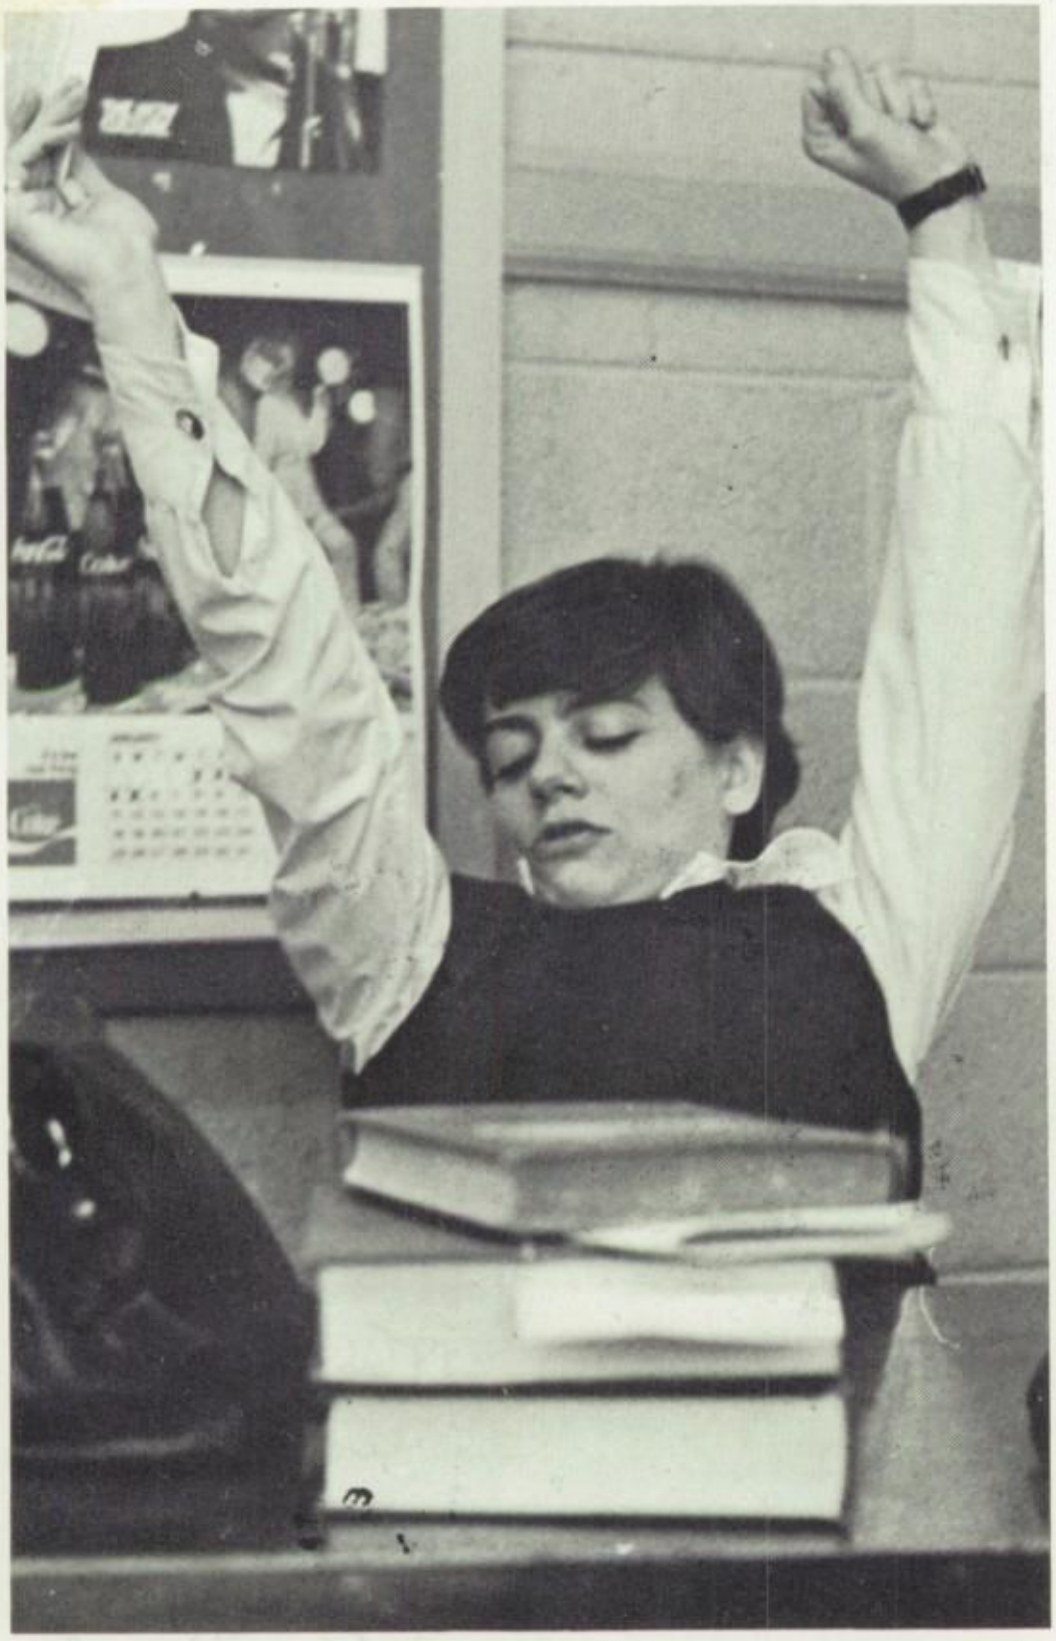
Faces aren't stones.
They are shaped by emotion.
Their infinite expressions say
a multitude of unwritten words.
Yet, within the depths of those words
lies a single meaning for all students.
"We care."

Confused?

Stuff it, Clyde!

Well!

A Jett-fast hair conditioning.



Been a hard day, Mrs. Smith?

Nothing like a good book and a tasty pencil.

Who needs wings?

"Sshh. We're playing hide-and seek!"

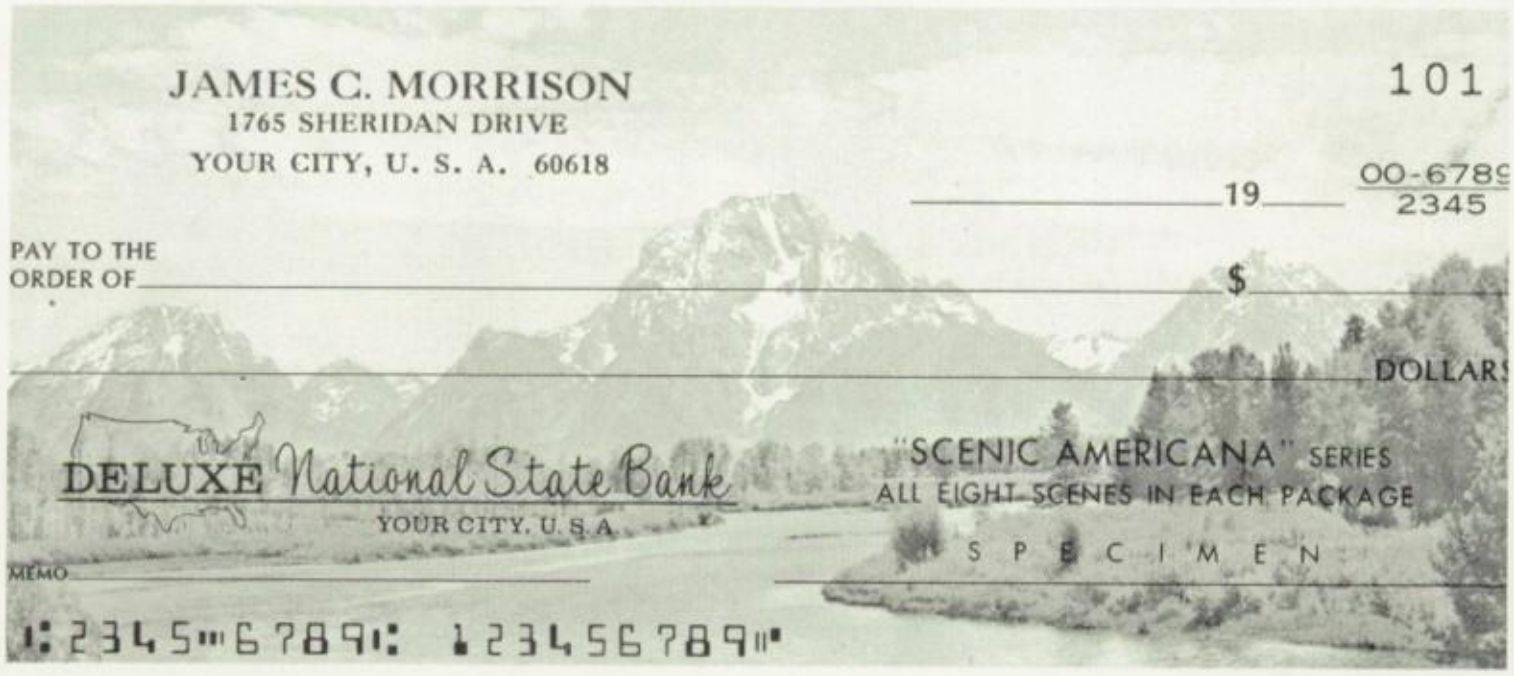
DISCOVER AMERICA AT THE BANK



The Bank of Virginia introduces Scenics by Harland. Eight breathtaking views of America alternating and repeating in one check package, each fully personalized with your name, address and telephone number.

They're available in two forms. Wallet Style offers 200 checks in books of 25 and features all eight scenes. Personal Style gives you 250 checks, bound three to the page, but features only three of the scenics (On the Beach, Mountain Range, Field of Gold).

Come see Scenics by Harland at The Bank, where the end of the drab draft began. Then pay your bills beautifully.

Somebody might decide they're too pretty to cash!

Denny,

penny. Best of luck, and all that crap, and I say crap because I really don't believe in wishing people good luck, but I feel pushed to do it when I'm writing in someone's annual. When you have spare time you can properly punctuate this. It's a pity, but this is the only year that I've really had any contact with you and then not very much of that, except in Joe's car. If you ever want to freak out in nature, feel free to visit me because I get tired of cats and rabbits and all that kind of thing. I'm really being sincere. This has been a pretty fun year... after your present, anytime Mr. Durham has any questions or dumps, as to whether anyone is on item etc. he comes to me, since I'm now supposed to be the schools authority. I hope you go to the symposium at W.W. this summer. Bow.

Gift of youth.

This gift was embodied in a mythical ring belonging to a hero, Ogier the Dane. Ogier's ring not only removed the wearer's infirmities; it also restored his youth. Try your Balfour class ring 50 years from now. Maybe it can do the same.

Seniors take "wing" to New York!

For Deneane

Well, this year has almost
come to an end and believe
me we have all had some
times. Remember all our
times in Algebra. (good & bad)
Best of luck in the
future to a real sweet
girl.

Love,
Linda Adams

May Peace Follow You
Always and you
always have happiness
Don't forget Country Mouse
and help turn out these
great posters for us.

Jimmy

Don't speak to me of sadness,
Fading dreams or lost hopes.
The time is young yet.
And I . . .
I have many miles to go.
I am happy now
And nothing . . .
Not one thing can spoil it.
But if a little cloud should smother my day,
I'll always have hope,
For the setting sun is not the end of a day,
But, the promise of a new tomorrow.

Ann Gill, Editor

When ever you see the sun rise
and whenever you see a lady cry
think of "Country Mouse" and
beautiful people and it will
help you make the
day. PEACE

Best of luck to
a great guy. Have
a fun this summer and
watch out for the
the "Pushers".

Sammy

I see that we have managed
to live through another
school year without being
institutionalized. I want
to leave you with one thought:
The Bushy Haired Man
is alive and living in
Cambodia.

Yours Alway,

Bill

Best of luck
Pat
Best of luck
Clyde

Its a very tough
guy, nice having
you in class this
year. Stay cool
and try to stay
sober.
See ya,
Ronnie
